+ Mission & Vision

Mission

The mission of P.S. 384 is to instill a lifelong love of learning by inspiring students to persevere and solve problems through collaboration, creativity, and citizenship.

Vision

P.S. 384 provides students with experiences using inquiry, dialogue, and critical thinking for academic success and social-emotional growth.

Our Core Values

Collaboration

- We work together

Creativity

- We are innovative thinkers

Citizenship

- We help others

By connecting their learning, students will use their creativity, ideas, and voice responsibly to create a better present and future.

Rigorous Instruction for Conceptual Understanding

Performance & Process Outcomes

Through our work together, our students will demonstrate:

Creativity in Problem Solving

Evidenced by the ability to choose strategies, tools, and support ideas with evidence

Critical Thinking Skills

Evidenced by the ability to identify problems, apply strategies, construct solutions, and evaluate outcomes

Connected Learning / Conceptual Understanding

Evidenced by the performance level of conceptual understanding on transdisciplinary projects

Our Instructional Approach

Hybrid:

- Strong Foundations
- Authentic Learning
- Building Student Independence
- Allowing for Student Choice
- Social-Emotional Learning embedded within instruction
- Growth Mindset Principles
- Inquiry-based / Student-centered

iRead – Intensive Reading Education & Development

- The I READ Early Literacy Program is a reduced class-size, Integrated Co-Teaching (ICT) class that is available in some NYC schools. This specialized program provides in-depth, structured reading interventions to students with disabilities, who will learn beside their non-disabled/typically developing peers. There is a separate application on the NYCDOE website.
- I READ is designed to support students who have a documented reading deficit as well as students from all reading levels. Students with IEPs are likely to have disability classifications of Speech and Language Impairment or Learning Disabled.
- Each I READ classroom has:
 - General Education Teacher and Special Education Teacher who are experienced in the skills needed to help struggling learners and provide daily instruction with a focus on organized reading interventions in all subject areas.
 - Classroom instruction will focus on improving students' literacy, language, and speech skills.
 - 20 students (up to 12 general education students; up to 8 students with an IEP)
