

Room Guide

Rooms 1-19 • second floor

SHARED KITCHENS

The rooms do not have kitchens. Guests have access to two shared kitchens located at both ends of the building's second floor. The kitchens are equipped with refrigerators, a freezer, a stove, cookware, cutlery, a microwave, a coffee maker and a kettle.

General information

- All rooms except Room 1 have an air-source heat pump.
- Every room has blackout curtains and a wardrobe. Lockable wardrobes are noted in the room descriptions.
- Beds can be arranged as a double bed or two separate single beds when required.
- Balconies are located at both ends of the building.
- Rooms 11-18 are recommended for smokers because they provide the shortest route to the designated smoking area. The building is a protected heritage property, so smoking is strictly prohibited on the balconies and anywhere other than designated smoking areas.
- Valuables can be stored in a safe located in the staff area.
- If a refrigerator is needed in the room, please ask the staff in advance whether one can be arranged.
- The common areas have one digital terrestrial television and Wi-Fi.
- The rooms are located on the second floor of the building.
