

ACTIVITY TITLE: Sound Detectives Vocabulary

NAME: _____

DATE: _____

GRADE: _____

CLASS: _____

DIRECTIONS

Read each vocabulary word and definition. Practice the hand signal for each word. Then use the writing area to write or draw something you learned.

ACTIVITY / VISUAL / WORK AREA

SOUND: energy made by vibrations that we can hear.

VIBRATE: to move back and forth quickly.

COMMUNICATE: to share thoughts, ideas, or feelings with someone else.

WRITING / RESPONSE AREA

Write or draw one vocabulary word you remember.

MATERIALS / NOTES

Practice the hand signals for sound, vibrate, and communicate.
