**Real Estate:** Selling to the highest bidder with no reserves is 73.45 acres of opportunity. Located on a quiet road, this farm offers a private country lifestyle with good accessibility. The property has a great mix of timber and open fields, allowing a picturesque horse and livestock operation or the ability to plant CRP and food plots making this the whitetail and wildlife property of a lifetime. Located on the front portion of the acreage is a solid two-story home with over 2,256 square feet of living space. The home has 3 bedrooms, 2 full baths, sunroom, Hickory kitchen, and large rooms ideal for entertaining. Additional amenities include, a sundeck, full basement, 2 car attached garage, and free natural gas provided by the wells on the property. Attached to the pastures, the building could easily be adapted to various livestock applications.

The remainder of the property continues to elevate in terrain with 2 open fields surrounded by woods and tree lines. Standing there you will quickly get lost in the tranquility and dream of your forever home or just how big you will be able to grow the bucks on your new "honey hole". Over half of the property is wooded with natural wildlife funnels. Buy a parcel or the entire farm, regardless of your interests this property should be at the top of your list.
