

Father God In the Name of Jesus,

Good Morning. It's me, Your (insert your name here) and I come before your throne this with thanksgiving. Thank you Father for another day of life. Thank you for being the one who preserves and keeps. Thank you for keeping me, my family and all those that are dear to me, through the night. Thank you for provision, thank you for prayer, thank you for the Holy Spirit within me. Thank you for loving, caring, adoring and keeping in the palm of your hand. I love you Lord.

Father God in the name of Jesus,

I praise you for your goodness, I praise you for being the all knowing one. I praise you for the sun and the moon. I praise you God and thank you for the opportunity to see the super moon earlier this week. I appreciate that Lord. Thank you for the little things. Thank you for intimacy with you.

Father God in the name of Jesus,

Thank you for the Holy Spirit. Thank you Father God for Jesus. Jesus told us that He would not leave us as orphans. I acknowledge you Holy Spirit as the Spirit of Truth. Father God, thank you for being my Lord, You guard your people. A guardian protects, a guardian provides, a guardian watches over, a guardian helps you make decisions, a guardian comforts, a guardian listens and is by you every step of the way. Sometimes a guardian has a sense of humor, a guardian loves, a guardian fills in the gap. I need you today Holy Spirit. There is nothing that I can do with out you. Holy Spirit, I need you to help me think according the the kingdom of God.

Father God, I acknowledge my total dependence upon you.
