

Latte & Teas

Lattes

Be patient a good latte is never rushed. Our well trained baristas don't use automated machines like other big companies, we swirl you a hot bath of milk and waits as it begins to roll into a low thunderous foaming hum. After the bath is prepared you can add all sorts of things to your latte, usually a shot of espresso but also tea is also common. We can pretty much customize anyway you like it.

Cafe Latte **5.25**
Espresso and steamed milk.

Mocha **5.95**
Ghirardelli Chocolate, Steamed Milk & Espresso.

Caramel & Vanilla Latte **5.95**
(Caramel Machiato)

At national big chains, you might order this drink as a Caramel Macchiato, but that is not it's true identity. A Macchiato is a short strong espresso drink. Here are Broad Street it's a latte with caramel and vanilla flavoring, also available in sugar free flavors.
