### Ordering Using the Reorder

1. When you place your order please use the **REORDER** option. This will bring up the items you most frequently order.
2. Enter your desired quantities for the items you see here. You can add items not listed at this time during a later step.

- a. After entering your quantities press the **TAB** button to move to the next **QTY** box. Do not hit the ENTER button, don't hit the back arrow in the browser when you're placing your order. The system will randomly add items to the order and cause problems.
3. Once you have finished entering your quantities for your order, select **REVIEW ORDER**.
    - a. At this time, you can look over the items and quantities you have entered and make the necessary adjustments.
      - i. Option 1 Select **SUBMIT ORDER** *without* additional items.
      - ii. Option 2 Select **ADD NEW ITEM** to add an item not listed originally. You can now find the item you would like to add and enter the desired quantity. **REVIEW ORDER** again and then you can **SUBMIT ORDER**.
      - iii. **MEMO**, if you have a message you want to leave us with your order please enter it here.
