

Congratulations and Welcome to the Tejas Family!

The below information is for players that have been offered a position on one of our club teams during the Evaluation Period.

There are a few things we need everyone to do prior to the official Acceptance (Signing) Day. The North Texas Region (NTR) of USA Volleyball is the governing body of Club Volleyball in the Dallas-Fort Worth area. In 2018 NTR implemented the Online Commitment System (OCS) to help communicate and track offers and acceptance for club teams. This system is important to help enforce the recruiting policies that help protect players, families, and clubs.

Acceptance (Signing) Days:

Tuesday, July 16, 2024 for ALL players/teams

PRIOR TO ACCEPTANCE (SIGNING) DAY:

If you have been offered a spot on one of our club teams, what should you do next?

1. Make sure you have communicated clearly with the coach and/or director that you **accept the offer to play and that your daughter is 100% in for the team offered.**
2. Verify you are receiving emails from the OCS server | <https://ntr.vstarvolleyball.com/ocs/index.php>
3. If you did NOT play in the North Texas Region last year, then you will need to add your daughter to the OCS database | <https://ntr.vstarvolleyball.com/ocs/index.php>
 - If you played in the North Texas Region of USA Volleyball last year, then your name is already in the database...you do not want to create a duplicate record of your daughter.
 - Our administrative team will let you know if your daughter is not in the OCS prior to Acceptance Day.

ON ACCEPTANCE (SIGNING) DAY:

- Between 2:00am and 6:00am , you will receive an Offer from the OCS from “No Reply” (offers@ntr.vstarvolleyball.com)
- The title of the email will be similar to “Offer from NTR Club”
- Click the Link in the Email
- Accept the Offer
- Sign the Club/Athlete Agreement (you can sign the agreement from a computer or the phone so no need to print the document)
- Make the initial deposit amount (this can be done from a computer or phone so no need to come into the facility to make the first payment).
- **THAT’S IT! ONCE COMPLETE YOU ARE OFFICIALLY PART OF THE TEJAS FAMILY!**

If you have any trouble during the process, please text us at 817-681-9568 or email info@tejasvolleyball.com.
