

SENATOR DIEGNAN
ASSEMBLYMEMBERS KARABINCHAK AND STANLEY

Proud To Represent the 18th District In Trenton

Dear Legislative District 18:

It is our honor to represent East Brunswick, Edison, Helmetta, Highland Park, Metuchen, South Plainfield and South River in Trenton. The 18th is one of the most progressive and inclusive legislative districts in our great state. Although we have already accomplished so much together, much work remains to be done. We need to continue tackling the effects of climate change, increase school aid for our municipalities and fix our transit and transportation infrastructure. We must combat social injustice and ensure that every single person in our society is treated equally and justly. Most importantly, we must conquer this pandemic and provide our small businesses with the support they need to survive and thrive in an economy so drastically impacted by COVID-19.

Our success is a direct result of your support. There is nothing we cannot accomplish by working together.

We respectfully ask for your vote at the upcoming MCDO virtual convention, which will take place on March 11th at 7:00 pm.

If you have any questions, concerns or comments, please don't hesitate to contact us. Thank you in advance for your support.
