

Winter Time

Character Guide

MAIN CHARACTERS

VICTORIA EVANS

Role: Protagonist

Description:

Victoria is introspective, emotionally aware, and quietly strong. As she navigates the complexities of first love and self-discovery, she is forced to confront vulnerability, trust, and her own sense of identity. Her journey is one of growth—learning how to balance her inner world with the realities around her.

Traits:

- Thoughtful
- Observant
- Emotionally intuitive
- Resilient

WILLIAM WINTER

Role: Love Interest

Description:

William is guarded, complex, and emotionally layered. Beneath his composed exterior is someone navigating his own struggles, making it difficult for him to fully open up. His connection with Victoria challenges him in unexpected ways, forcing him to confront parts of himself he would rather keep hidden.

Traits:

- Reserved
- Intelligent
- Protective
- Emotionally conflicted

PRIMARY SUPPORTING CHARACTERS

STEPHANIE DAVENPORT

Role: Antagonistic force / social pressure

Description:

Stephanie represents the external pressures and social dynamics that shape the characters' world. Confident and influential, she plays a key role in highlighting the impact of bullying and the ways in which words and actions can affect others. Her presence adds tension and complexity to the story's emotional landscape.

Traits:

- Charismatic
- Assertive
- Socially dominant
- Complex

VIKEN ANDARIAN

Role: Supporting / grounding presence

Description:

Viken brings a sense of stability and perspective within the story. His presence offers contrast to the emotional intensity surrounding him, helping to ground key moments and relationships.

Traits:

- Loyal
- Grounded
- Observant
- Supportive

SECONDARY CHARACTERS

LORI BENNET, GWENDOLYN DERIAN, EDMOND DUMONT,
ABIGAIL QUINTON, ROBERT STUDLEY

Role: Supporting ensemble

Description:

The friends within *Winter Time* help shape the emotional and social environment of the story. Through their interactions, the novel explores friendship, influence, and the subtle ways people impact one another's lives—for better or worse.

Traits:

- Loyal but imperfect
- Influential in group dynamics
- Reflective of real social environments
