

We are seeking a reliable and proactive individual to join our team as a Janitorial/Brewery Maintenance Technician. In this multifaceted role, you will be responsible for maintaining cleanliness and sanitation throughout our brewery pub, as well as performing routine maintenance tasks to ensure the safety and functionality of our facilities and equipment. From sanitizing brewing equipment to repairing plumbing fixtures, this position offers a unique opportunity to contribute to the overall success of our operation. If you are a detail-oriented individual with a strong work ethic and a knack for problem-solving, we invite you to apply and be a part of our dynamic team.

Responsibilities:

- Perform routine janitorial duties, including cleaning and sanitizing floors, restrooms, and common areas to maintain a clean and welcoming environment for guests and staff.
- Conduct regular inspections of brewery equipment, facilities, and infrastructure to identify and address maintenance issues, such as leaks, malfunctions, or safety hazards.
- Assist in the repair and maintenance of brewery equipment, including keg washers, fermentation tanks, and draft systems, to ensure optimal performance and product quality.
- Monitor inventory of cleaning supplies and maintenance materials, and assist in ordering and restocking as needed to support ongoing operations.
- Collaborate with brewery management and staff to develop and implement preventive maintenance schedules and procedures to minimize downtime and ensure operational efficiency.
- Adhere to safety protocols and regulatory requirements, including proper handling of cleaning chemicals, use of personal protective equipment, and compliance with health and safety standards.

Qualifications:

- Previous experience in janitorial or maintenance roles, preferably in a brewery or hospitality setting, is preferred but not required.
- Basic knowledge of janitorial practices, cleaning techniques, and use of cleaning equipment and supplies.
- Mechanical aptitude and the ability to troubleshoot and repair basic equipment and facility issues, such as plumbing leaks, electrical malfunctions, and HVAC problems.

- Strong attention to detail and organizational skills, with the ability to prioritize tasks and manage time effectively in a dynamic and fast-paced environment.
- Excellent communication and teamwork skills, with the ability to collaborate effectively with brewery staff and external contractors.
- Flexibility to work evenings, weekends, and holidays as needed to accommodate brewery operations and special events.
- Physical stamina to stand for extended periods, lift and carry heavy objects, and perform repetitive tasks as required in a brewery and pub environment.
