

STUDIO ETIQUETTE

PRIOR TO CLASS

Please be on time for class. If you arrive after class starts, please enter the room quietly. Do NOT enter the studio space if there is music playing and dancers are in the middle of an exercise.

Please wear proper class attire (e.g., outfit, tights, shoes, and hair). Dancers may be excused from class if they are not dressed appropriately.

Please use the bathroom before class starts. It is distracting to dancers when people are entering/exiting the room throughout class.

Please label all shoes and water bottles.

Please do not hang on or play with the ballet barres or other equipment in the hallway.

If a dancer misses class, please ask the teacher or fellow dancers what material you missed prior to returning to class.

Please do not approach teachers prior to/after class to discuss issues or concerns. Please send the studio an email so that we can schedule a meeting or a call to address any problems or concerns that you may have.

Please keep the hallway clean. Shoes/bags/accessories can be stored in a cubby or against the wall.

DURING CLASS

We expect our dancers, staff, and parents to always be kind and courteous to teachers and to one another. Please be respectful at all times!

If you are not a student, please do not open the studio doors for any reason during classes. Not only is this a distraction for dancers but can also be very dangerous for tumblers.

Please keep an open mind while learning new things. It is OK not to get it on the first try. That's why we take class!

Please do not hang on the ballet barres.

Please do not touch the mirrors or the windows.

Please be respectful of the studio spaces. Pick up trash, hair ties, hair pins, and loose clothing. Check to make sure you have all of your belongings prior to leaving the studio space.

NO street shoes on the studio floor.

No cell phone or watch usage during class (especially on water breaks). This breaks dancers' focus and concentration. Take class for yourself!

Please review class material and stretch between classes. Come to class prepared and ready to dance.

Dancers should not record or photograph class material without instructor permission.

Only water is allowed in the studio space.

Please refrain from making corrections to fellow dancers. That is the teacher's job!

Always remember to thank your teachers and assistants at the end of class!
