

TUITION CHART

Tuition is a yearly amount divided into nine equal payments, which are due on the 1st of each month from September through May. Autopay will run on the 1st of each month. A late fee of \$10 will be charged for each student if not paid by the 5th. Tuition may be paid 1) in person via cash, check, or card by the 1st of each month or 2) through the portal, either manually or through Autopay by the 1st of each month. All families are required to have a credit/bank card on file in the event that payments are not made.
