Memorial Day	26th CLOSED	27th Red white and blue star craft	28th Pom Pom flag	29th Eagle handprint	30th Red, white, and blue sensory	

Hello families!

Happy May! The flowers are blooming and we are finally getting some nice weather! That being said, please bring in weather appropriate spare clothes as well as sunscreen for your child so we can play outside as much as possible.

This month we will be celebrating all of the wonderful mothers we know as well as honoring the brave veterans who lost their lives fighting for our country during Memorial Day. We also get to learn all about caterpillars turning into butterflies and all the animals we see at a zoo.

Ms. Lauren has taken a position working in our infant room to provide additional staff support for them. We will be having some of our floaters fill her position for the remainder of the school year. All of our floaters have worked in our classroom this year so the children will know who they are when they fill in. We are also excited to be getting a new friend from the toddler 2 classroom, Meadow.

Please be on the lookout for your snack suggestions for the month in our Procare app.

Thank you so much for your continued support. May is going to be full of sunshine, smiles, and so much fun here in the discovery 1 room.

-Ms. Michela
