Teacher led intentional learning

11:30 Bathroom

12:15 Lunch

12:45 Bathroom and rest

2:00 Wake up and bathroom

2:30-6:00 After Care

SCHEDULE IS SUBJECT TO CHANGE

Hello All,

We are very excited to start the year and get to know some new faces. We are thrilled to enjoy the company of friends we were able to get to know this summer. Your child's teachers this year will be Ms. Amy and Ms. Cassie. Ms. Amy has taught 4K/3k for 14 years at FCLC. This will be Ms. Cassie's first year teaching 3K. She is moving over from teaching 2 year olds. We are confident that once we get a routine down that this will be a successful one! The first 4 weeks we will focus on keeping a consistent schedule, getting to know the room, expectations and rules in the classroom, and creating respectful boundaries with our friends.

This is the year where your child goes from free play to a more structured classroom experience and intentional learning environment. We will focus more on letter and number recognition the first half of the year. We will start forming the upper case letters and spelling their names the second half of the year. We will also be working on how to hold our writing utensils correctly and to cut with scissors. Each week we will have a theme, and within that theme we have planned activities where they engage with their peers and are able to work on these focused skill points. We will have bible time two days a week. We will read a bible story and do activities based on it. We will try to stick with the schedule as closely as we can, though we recognize within these first 4 weeks that we may have to be more flexible and patient as they adjust to the environment of the classroom.

SNACK:

You must provide a two part snack for the classroom each month. Enough for 16 children. One part grain and the other a fruit, dairy, or vegetable snack. Examples would include:

- **Preferred grains: Pretzels, pirates booty, rice cakes,, graham crackers, popcorn, goldfish, peanut butter crackers, regular ritz crackers, teddy grahams.**
-
- **Preferred Dairy, fruit, or veggie: string cheese, yogurt, apples, grapes, blueberries, watermelon, carrots or cucumbers.**
- ***Our class will do a weekly snack drop off. We will message you the Friday before your week to bring in snack. With so many kids I feel this works better for storing and using our fresh part of the snack.***

WATER BOTTLES:

Please send in a filled water bottle with fresh cold water (no juice please) every day.

Please have your child's name written on their water bottle, lunch box and backpack. We do not warm up lunches or refrigerate them. So send warm foods in a thermos and cold foods with an ice pack. We provide milk at lunch for your child.

If your child is resting at school, their sleeping bag will come home the last day they are here for the week to

be laundered and returned with them their first day back the following week. Please keep a change of clothes in your child's backpack just in case an unforeseen accident occurs throughout their day. As Fall approaches, we recommend sending a lightweight jacket with your student each day.

Weekly folders:

On your child's last day of school each week, we will send home all their weekly papers in a folder which is to be returned their first day back the following week.

School Pictures:

September 24th and 25th. More information to come.

Please feel free to contact us with any questions or concerns you may have. We will communicate with you through the procare parent app (if you are new to our center Ms. Rachael will send you information regarding the app prior to your first day of school), email or center phone 1-262-632-7311. Please note we will not be communicating with other social media platforms.

Here's to a great year!!
