Hello Families!

I hope you all had a fun and safe Fourth of July week. Last month we started our summer off by talking about Sampson and Daniel and how they were heroes to God. We did crafts, sensory, and read the Bible stories to go along with it that the kids really enjoyed. This month, we will be learning all about Noah, Jonah, Moses, and Paul.

A reminder to please bring in a TWO part snack for this month. Some examples of what to bring include cheese, sausage, yogurt, applesauce, crackers, granola bars, popcorn, fresh fruit..

If you haven't already, please bring in a family photo so we can get it up on our classroom wall.

We are looking forward to another great month here in the 3k room!!
