Dear Parents,

We have made it to the last full month of the fall school year! It's hard to believe summer is right around the corner! This month we will be channeling warmer weather by talking about the beach. We then go on to celebrate Mom's and families in general, we will bring nature inside as we explore natural elements and the weather and we will wrap up the month talking about some community helpers!

A few Reminders

- **FCLC will be closed Memorial Day; Monday 5/26**
- If your child is potty training and wearing underwear please send many extra pairs of underwear and pants!
- Please label EVERYTHING! Sometimes things get moved around, or a teacher may come in who isn't as familiar with your child's belongings. It's very important that everything is labeled to avoid confusion.
- Please check cubbies daily for any artwork to be taken home or water cups
