Parents,

We are having a great summer learning about bible characters. In June we learned about Samson and his strength. Also Daniel and the lions den and obeying God before people.

BIBLE

The month of July we will learn about Esther, Noah, Paul and Moses. We will read the bible story about each one. Review our memory verse each day. Play fun games and do a related craft.

WATER DAY

We will have a water day once a week. Please come with a suit and sunscreen on. Bring a towel. Bring a tote bag with your child's name on it to put their wet swimsuit in. Water day is subject to change due to weather. We will message a reminder the day before the weekly scheduled day.

Snack

Please send in your 2 part snack for the month of July. Every student must bring a fresh fruit (apples, grapes, berries, oranges, fruit cups), veggies (carrots or cucumbers cut up with a dip), yogurts or cheese sticks plus a grain such as crackers, chewy bars, pretzels, popcorn, pirates booty etc.

FRUIT SNACKS DO NOT COUNT AS A FRUIT! PLEASE DO NOT SEND THOSE.

REMINDERS:

Please apply sunscreen to your child before coming to camp. We go outside first thing in the morning.

Wash water bottles daily. Fill with ice and water.

Please wash sleeping bags weekly

Peace,

Ms Amy
