Hello families this summer has been a blast so far. We have been enjoying the fresh air as much as we can. Last month we learned about Samson and Daniel and why they are our heroes in the bible. This month we will be learning about Moses, Paul, Noah, and Jonah. I'm looking forward to our water days this month. I will be sending out a message on procare reminding you of what I'd like for you to provide, so be on the lookout for those messages. If the weather affects the planned water days I will let you know if I plan on canceling the water day beforehand. If you have any questions, comments or concerns please feel free to contact my email!
