<i>MOSES</i> "Nothing Is Impossible Without God"	24 Water Sensory Bags	25 Burning Bush Art	26 Water Day	27 Baby in A Basket	28 Music/ Movement Sign Language	

Hello Families!

We are off to a really great start for our Summer Session.

There isn't much to address, we are going to start having some water days. This is more for the older babies in our room with the smaller newborns having minimal time in the water. We will have our own area just for our infant classroom. A smaller pool with little water in it and lots of sensory toys for them. We will send reminders for swimsuits and swim diapers the day before. We will put the sunscreen you provided on them before going out.

We are taking daily walks, so please dress them in clothing appropriate for the weather. The only time we are not going out is if it is much too hot, or if there is rain.

If there are any changes to their feeding schedule or things you feel is important to their routine, please let us know so we can keep that as consistent as possible between school-home.

Thank you so much, we are having a lot of fun!

Please reach out to us via email or on Procare if you have any questions.
