Hello Families!

We are off to a really great start to the school year. Everyone is adapting well to our room, and we are having a lot of fun getting to know each other. Just a couple of things: we work on age appropriate mobility, sign language, fine motor skills, and do music & movement every day. Some days it is more intentional than others. They really enjoy our 15 minute afternoon time with dancing fruit, but we will be adding instruments and other sensory items this month.

For our younger infants, we will be working more on mobility and fine motor this month. Tummy time and grasping toys. For the older babies, we will be working more on sitting up or pulling ourselves up. We will work on signing "all done" if this is something you would like to incorporate at home with them as well. It's very exciting to see how quickly they are able to pick this up. I have lots of fun sensory and art activities planned too.

With the weather getting a little chillier outside, please bring an extra sweater for us to store in your child's cubby. We will still be trying to go out for daily walks as the weather permits.

Faithbridge Church will be having Trunk or Treat on October 30th. We would like to invite all of our families to join us for this event. It is always so much fun, and Pico's Food Truck will be there!
