

We're back again this year with our Rose's 4 Residents event!

For our second year 4 Love of Wood Co. is looking to get our "forever" wood roses to local care facility and at home care residents. Last year we were able to make and deliver 535 roses to residents in facilities in Park Rapids, Walker, Menagha, and Sebeka. Along with at home care residents throughout our local area!

Our wood roses are hand painted and put together here in our flower shop in Nevis. They are eco-friendly, hypoallergenic, will never wilt or die. There's no need to water or preserve them. They're always in season, and the best part is they can be kept for forever!

To make this possible, we need your help!

We need flower sponsors. For every \$6 a rose will be made and delivered to a resident. Rose's will be delivered on Valentines Day to care facilities, and will be delivered the days before to those receiving at home care.

Sponsorship will be open till Feb. 1st
