Welcome Guest

Congratulations and Welcome to Fox River Toastmasters! Your decision to join us at our meetings is a huge first step on your road to self-improvement. For many people, the fear of public speaking is the biggest fear they have; they fear speaking in front of a group of people more than they fear death! So, making the decision to do something about that fear took a lot of courage. You have certainly come to the right place.

Our Mission Statement – We provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth.

After your visit with us this evening, I hope you will decide to join our club and take advantage of all the Toastmasters program has to offer. We are an energetic, intelligent, entertaining group of people interested in learning together and supporting each other as we work toward achieving our goals. The members of our club are diverse and share a variety of different experiences. However, we are all here for the same reason: to develop and strengthen our communication and leadership skills.

If you have any questions or need additional information, please feel free to contact me via mobile phone at 331-305-4374 or via e-mail at chkostelec@gmail.com. I am always happy to answer any questions you may have about Toastmasters International in general or our club specifics.

In addition to the materials in the Guest Packet, feel free to explore the Toastmaster Magazine to discover the type of information available to help members improve.
