What is the Pathways learning experience?

Pathways is Toastmasters' exciting, interactive and flexible education program. It focuses on five core competencies: Public Speaking, Interpersonal Communication, Strategic Leadership, Management and Confidence. With 6 paths to choose from, you have the option to pick which skills you want to focus on.

How does Pathways work?

Sign in to Pathways and take the online assessment, which will suggest a learning path based on your goals. As a Toastmasters member, you will receive one free path when you join. Progress through your path by completing projects, giving presentations at club meetings, and implementing feedback, all done at your own pace. Each path has five levels and you'll start by mastering fundamentals before working your way up to demonstrating your expertise. Best of all, Pathways is available online and is translated into many other languages!
