Dear Parents, Is this your child talking?

- (1) I am a high school senior. I plan to go to college but can't decide what my major will be.
- (2) I am already in college but can't decide what my major will be.
- (3) I am in the 8th Grade. I will decide what I want to be and do when I go to college.
- (4) I want to be a musician, but my parents want me to be a lawyer, doctor, or teacher.
- (5) I can't decide what I want to be and do after high school.
- (6) I am confused and frustrated . . . I do not know how to choose an education and career path or college major that is right for me.
