

# The School To Success Difference

Discover Your Genius!

*“Connect Your Life Purpose to Your Career for Great Success”*

1. The first and ONLY Academy Course of its kind for career guidance training!
2. We meet students (youth and adults) where they are!
3. We teach students how to choose a college major or trade and career!
4. We start working with students in middle school, follow them through high school, college, into adult life and beyond . . . we stay with students for life!
5. We specialize in career guidance education and training!
6. We connect life purpose to career choice for great success after graduation!
7. We help students make the connection between school and a career choice!
8. We help people be happy at work!
9. We don't stop until we get results; we increase students motivation to learn!
10. We make organizations look different when we collaborate with them!
11. Career guidance for the home, school, organization, and business!
12. Ongoing real life case study research and product development for good in the community!
13. We focus on the missing pieces in education!
14. We teach students how to discover and use their life purpose as a tool to choose a college major or trade and career!
15. We make every class count!
