

 THE CONFEDERATED EMPIRE OF BIR TAWIL
AND TERRITORIES

Official Decrees of the Continuous Imperial Chancellery

IMPERIAL DECREE: THE CODIFICATION OF
ORGANIC LAWS AND CIVIC JUSTICE

BY ROYAL CHRYSOBULL OF HIS IMPERIAL
MAJESTY, EMPEROR BRYCE I, Commander of the
Legions, Captain in the Molossian Navy, Lord of
Sealand and Glencoe, member of Clan Buchanan ,
and Sovereign Grand Master of the Knights of
Napoleon.

TO ALL SUBJECTS, PARLIAMENTARY OFFICERS,
AND CITIZENS OF THE REALM:

WE HEREBY DECREE AND DECLARE that the
Organic Laws and Civil Codes of the Confederated
Empire remain fully active, unyielding, and operational.
Our legal system has maintained continuous
sovereignty since its ratification. To preserve the safety,
visual integrity, and historical honor of our people, the
following statutes are permanently codified:

ARTICLE I: THE MANDATORY ADMINISTRATIVE
EDUCATIONAL STANDARD

To ensure a highly disciplined and intellectual civil
service, Abide University and Institute (AUI) is codified
as the sole accredited university of the Empire. It is an
absolute requirement for all government officials to

receive a degree from AUI. The Ministry of Education, overseen by Countess Jessica Roberts, shall blend classical Grecian learning with Dudeism philosophy, recognizing "The Big Lebowski" as the official cultural masterpiece of the Cabinet.

ARTICLE II: THE ABSOLUTE ANTI-FACTIONAL MANDATE

To insulate our state from division and civil unrest, political parties are strictly prohibited within the Empire. Governance rests solely upon the Emperor, the Nobility, and the Citizenry working in a unified, non-partisan framework. Anyone wishing to claim citizenship or enter our Class A passport registries must permanently abandon all foreign partisan labels.

ARTICLE III: CIVIL LIBERTIES AND NATURAL RIGHTS

The government shall make no laws abridging or limiting a citizen's natural right to keep and bear arms, in accordance with the Second Amendment principles of our Constitution. No business taxes or forced financial sharing formats shall exist for corporate entities registered within the realm. The Treasury accepts year-end voluntary contributions in livestock, gold dollars, or physical trade goods.

ARTICLE IV: PENAL LAWS AND SECURITY SENTENCING

The Ministry of Justice is authorized to moderate all public state forums. Desecrating, destroying, or tearing down the National Flag is a high civil offense. Any

individual found guilty of flag defacement, forgery of physical travel passports, or impeding the authorized passage of allied heads of state shall be sentenced to 25 years of hard labor within our NM penal lands.

ARTICLE V: THE LAWS OF HONORS AND COMBAT

Noble peerages pass directly to the eldest child by hereditary right, while younger children retain membership in the Nobilitas under the titles of Lord or Lady. Citizens retain the legal right to face their accusers in trial by combat. Dueling remains a recognized legal option to settle grievances of personal honor if executed before two witnesses using pistols or swords. The national anthem of the realm is officially codified as the Imperial march.

PROCLAIMED BY THE AUTHORITY OF THE CROWN.
