

 THE CONFEDERATED EMPIRE OF BIR TAWIL
AND TERRITORIES

Official Decrees of the Continuous Imperial Chancellery

IMPERIAL DECREE NO. 44

THE IMPERIAL ORDER ESTABLISHING PROJECT
POSEIDON

Issued Under the Sovereign Authority of

HIS IMPERIAL MAJESTY, EMPEROR BRYCE L.S.P.
IVREA I

Basileus and Autokrator of the Confederated Empire
and all its Sovereign Domains

PREAMBLE

Recognizing the historic importance of the world's
oceans to exploration, commerce, scientific
advancement, and peaceful cooperation among
peoples;

Affirming the Confederated Empire's commitment to
scientific inquiry, environmental stewardship,
humanitarian innovation, and the responsible
development of maritime infrastructure;

Desiring to establish a permanent center for marine research, technological innovation, and international collaboration;

Therefore, by the authority vested in the Imperial Crown and the Continuous Constitution, I hereby establish Project Poseidon as an official national initiative of the Confederated Empire.

ARTICLE I — ESTABLISHMENT

Project Poseidon is hereby constituted as a permanent Imperial undertaking under the authority of the Crown.

The project shall be administered by the Imperial Chancellery in cooperation with the Ministry of Exploration, the Ministry of the Treasury & Imperial Mint, the Ministry of Admiralty, and such additional ministries and commissions as may be required.

ARTICLE II — PURPOSE

Project Poseidon shall pursue the following objectives:

1. To identify, acquire, lease, or otherwise secure a suitable offshore platform or maritime facility for peaceful purposes.

2. To establish a permanent offshore research and administrative station dedicated to scientific, educational, engineering, and environmental activities.
3. To promote research in marine biology, oceanography, meteorology, renewable energy, desalination, offshore engineering, communications, and sustainable maritime technologies.
4. To encourage cooperation with academic institutions, private organizations, charitable foundations, researchers, engineers, and maritime professionals.
5. To advance peaceful maritime exploration consistent with applicable international law.
6. To develop innovative methods of sustainable offshore habitation and resource management.

ARTICLE III — IMPERIAL TREASURY BOND PROGRAM

To finance the long-term development of Project Poseidon, the Ministry of the Treasury & Imperial Mint is hereby authorized to issue the Official Project Poseidon Imperial Treasury Bonds.

These commemorative certificates shall acknowledge voluntary financial support for the project and shall be recorded within the Imperial Treasury Rolls.

Bondholders shall receive such honors, commemorative certificates, citizenship recognition within the institutions of the Confederated Empire, and Imperial Patents of Nobility as may be prescribed by Treasury regulations.

ARTICLE IV — SCIENTIFIC AND HUMANITARIAN MISSION

Project Poseidon shall strive to advance knowledge through peaceful scientific research while encouraging responsible stewardship of the marine environment.

The Empire shall seek opportunities for cooperation with scientists, universities, engineers, conservation organizations, and maritime communities in pursuit of shared educational and environmental objectives.

ARTICLE V — IMPLEMENTATION

The Imperial Chancellery shall develop comprehensive operational, engineering, financial, diplomatic, and logistical plans necessary to implement Project Poseidon in successive phases as resources permit.

ARTICLE VI — EFFECT

This Order shall take effect immediately upon its publication within the Imperial Register.

All ministries, departments, officers, and officials of the Confederated Empire are directed to render every lawful assistance necessary to advance the objectives herein established.

GIVEN UNDER OUR HAND

Issued from the Imperial Chancellery under Our Hand and Seal on this 18th Day of July, Anno Constitutionis VI (2026).
