CONTINUOUS IMPERIAL CHANCELLERY • RECORD OF THE REALM

 IMPERIAL PROCLAMATION ON DIGITAL SOVEREIGNTY 
Issued by Direct Command of His Imperial Majesty, Emperor Bryce I

KNOW YE ALL MEN, CITIZENS, AND FOREIGN OPERATORS, That a nation's sovereignty is not bound by the narrow parameters of corporate algorithms, nor can the voice of an Empire be restricted by the digital architecture of foreign tech monopolies.

LET IT BE KNOWN, that the Ministry of Foreign Relations and the Central Chancellery hereby issue this formal declaration following the unprompted and unlawful censorship of our official state communications network on the X platform (formerly Twitter).

WHEREAS, the Confederated Empire has spent the preceding weeks executing highly rigorous, peaceful, and lawful diplomatic outreach to global ministries, sovereign crowns, and extraplanetary pioneers in strict accordance with the 1933 Montevideo Convention;

WHEREAS, a private corporate entity has seen fit to temporarily obscure our diplomatic channels, misinterpreting active statecraft as automated anomalies;

NOW, THEREFORE, IT IS DECREED BY THE EMPEROR'S SUPREME AUTHORITY:

1. THE WEB DOMAIN IS SOVEREIGN SOIL: The Chancellery reaffirms that our official web portal—theconfederatedempiregov.com—remains the permanent, supreme, and unalterable seat of our digital government. No foreign entity holds jurisdiction over our archives.
2. MINISTERIAL PERSISTENCE: All active ministries, including the Office of the Logothetēs tou Dromou, shall continue daily executive functions, civil registrations, and the continuous mapping of our 300-square-mile Martian sector at Olympus Mons.
3. ELEVATION OF THE COMMUNITY HUB: This official Facebook apparatus is hereby elevated as our primary emergency platform for public announcements, population tracking, and community gathering.

A CALL TO THE POPULATION OF THE REALM

To our active citizenry: A true Empire is forged in resilience. Corporate red tape cannot halt a geopolitical movement. We call upon all loyal subjects and prospective pioneers to bypass foreign barriers.

Step forward, claim your legal status, and secure your place in history. The civil registry remains open.

Given under our hand and the Great Seal of the Empire at the Imperial Chancellery, on this 25th day of July, in the year of our Lord 2026.
