DONATION AMOUNT _____

Dear Sponsor:

The Heart of the Hills Barrel Racing Association is a nonprofit organization whose purpose is to promote the sport of barrel racing and pole bending in the Hill Country of Texas.

Over half of our members are youth riders. We consider it a special privilege to provide an entry into the sport for these young competitors, and we work hard to provide a family-oriented environment for them to practice their sport.

It has been our policy, for as long as we have been in existence, to provide year-end awards for all youth members, regardless of their place in the finishing order. Our entry fees do not always cover this completely, and so we ask for the generosity of sponsors in the community, such as yourself, to help us provide incentive prizes for our youth riders. We think that any child who competes in a sport, whether on a team or individually, learns valuable lessons by training and competing, and grows up better prepared to be a valuable member of our community. Please, help us to help our youth competitors achieve their goals.

Sincerely,

Heart of the Hills Barrel Racing Association
