PROTEST GUIDELINES

All complaints will be handled by the protest committee. There will be a \$25 fee payable before any protest will be considered. Any novice protest must be turned in on or before May 31st. NO PROTESTS will be accepted at the finals. Whoever protests will be responsible for obtaining verified background information such as earnings from other organizations or evidence of the rule violation to be presented to the board. All proof must be given to the board within 30 days of the protest. No discussions will be held on any protest except by a meeting of all committee members in attendance at a show, and their decision will be binding. The committee will not change the rules, but will make its determinations within the framework of the published rules.

GENERAL INFORMATION

A. NAME

The organization shall be known as the **Heart of the Hills Barrel Racing Association**, herein referred to as **HHBRA**.

B. DEFINITION

HHBRA offers professional and amateur barrel racers the opportunity to compete and earn points for year-end awards in numerous classes. Jackpots are sponsored throughout the season, at which nominated horses and riders may earn points toward, and the organization will accumulate funds toward year-end awards. The HHBRA schedule will begin in March and end by October.

SECTION II BY-LAWS

A. PARTICIPATION

1. HHBRA is open to any barrel racer (member or non-member), regardless of age or gender.
2. HHBRA health restrictions will coincide with the State of Texas health regulations at all times. A current negative Coggins is required on all horses at every HHBRA event. Please give HHBRA a copy at your first show.
3. Injured or ill riders known by the Directors to be under a physician's care must present a release signed by that physician, specifically authorizing return to competitive equine activities in order to enter, exhibition or compete in an HHBRA jackpot.
4. All horses must be ridden with tack and saddle, in good repair at all times.
5. No person involved in litigation against HHBRA may compete in any HHBRA jackpot, nor be eligible for year-end awards.
6. HHBRA reserves the right to refuse participation to anyone, at any time during the season.
7. If a horse/rider is endangering the safety of others, HHBRA may excuse the horse/rider from participation.

B. NOMINATED CONTESTANT OBLIGATIONS

1. Nomination fees of \$25 per class must be paid by separate check & all forms completed by the first show at which you expect to earn points.
2. In the incentive classes only, each nominated rider or horse must also enter 5 of the first 7 jackpots with a minimum of 7 jackpots total entered for the year to be eligible for year-end awards. 5D barrels & 4D poles will not have minimum attendance but riders must meet all other requirements.
3. Nominations for open D poles or barrels may be made at any time throughout the season. Nominations for the incentive classes must be made on or before April 28, 2018. Points will accrue from the time & date the nomination is made. Runs made before the nomination will not be awarded points. You must also meet other nomination obligations.

4. **Each rider nominated for year-end awards is required to pay an award/sponsorship fee of \$50 to HHBRA by June 24, 2018 in order to be eligible for year-end awards. If not paid by that date, the fee will double (\$100) and the nominated rider will stop receiving points until the award fee is paid.**
5. **This award fee is in addition to the entry or nomination fee. Please pay by a separate check as a record of payment.** Any family sponsoring or getting the sponsorship of half a saddle may exempt up to 2 members from their immediate family from this obligation. If sponsoring a whole saddle, up to 4 members from their immediate family may be exempted.
6. **SPONSORSHIP LEVELS:**
 - \$50 – Basic membership award fee
 - \$100 – Buckle sponsorship
 - \$250 – Half saddle
 - \$500 – Saddle
 - \$750 – Trailer sponsorship
 - \$1000 – Class sponsorship (saddle + buckles)
7. **HHBRA will have a raffle this year. It will be mandatory for nominated members to sell 10 raffle tickets due on the August 5 show in Llano: 1 ticket @ \$5 and 5 tickets @ \$20.** Members may pick up tickets at the June show in Uvalde. The mandatory tickets will be due on August 5. Extra tickets may continue to be sold until the awards banquet starts on Sept. 15.
8. **Each nominated member/owner/rider MUST work at least one section on the work sheet at each jackpot attended in order to receive points.** Youth members ages **8 & Under** will be exempt from working in the arena & do not need to sign up for work. Please do not add lines to the work sheet – talk to an office worker if needed. It is a member's responsibility to be sure that work time was verified and points awarded. Workers must be inside the arena on the pattern side of the timer to avoid interference with the timer. You may not bring dogs or any other animals into the arena.
9. **The Finals Awards Banquet will be a mandatory function. You must be present to receive your year-end awards.** If the last barrel race of the season is cancelled, the Awards Banquet will still be held. All those receiving awards will be asked to pay a \$50 fee which is necessary to offset the loss of anticipated income for awards that we would receive if there was a jackpot that day.
10. **Complete failure to pay award fees will result in cancellation of all nominations for that person.**
11. **HHBRA trailer drawing: Only way to be entered is to nominate to "Run for the Trailer"!!** Each trailer nominee in the first 6 places or all paid places (whichever is greater) in each D in the Open 5D barrels will receive a ticket to win the trailer. Winning ticket will be drawn at the finals. **The winner of the previous trailer will not be eligible to nominate for a period of 2 years following their win.**

C. POINTS

1. **Points (7-1) in the D's in open barrels and poles** will be awarded to nominated horses/riders for 1st through 6th place as follows: 7 points for 1st place, 6 points for 2nd place, 5 points for 3rd place, 4 points for 4th place, 3 points for 5th place and 2 points for 6th place. Every remaining nominated horse/rider in the class also receives 1 participation point. Points are awarded from date of nomination.
2. **Points (9-1) in the age and horse incentives in barrels and poles** will be awarded to nominated horses/riders for 1st through 6th place as follows: 9 points for 1st place, 8 points for 2nd place, 7 points for 3rd place, 6 points for 4th place, 5 points for 5th place, and 4 points for 6th place. The nominated riders placing 7th and below who get a time that day get 3 points. Every remaining nominated rider in the class who makes a run that day but gets a No-Time (NT) receives 2 points. If a horse/rider does not make a run but has paid for it, it will go down as a No-Show (NS) and will receive 1 point for participation and show count. Points are awarded from date of nomination.
3. **If a rider or horse enters a show, but cannot run for any reason, they may leave their entry paid, receive a no-time in each paid class, and still be awarded a participation point or show count in each nominated class for the day.** In the 4D poles and the 5D barrels, the point will be given in the lowest D just like any no-time. Riders/horses do not need to be present at the show for this to occur.
4. If a non-nominated horse or rider places at a jackpot, the placing points will be awarded to the next highest placing nominated member. In the event that no nominated horses place in any particular division, no point adjustment will be made. Example: A non-nominated horse runs the fastest time of the day, and is more than ½ second faster than other horses. This horse wins all places in the 1D but it is not nominated, so no points are awarded in the 1D. Points are awarded in the other D's.
5. If only one nominated horse/rider is entered in a class, they will run and receive points. If the only entry in a class is a non-nominated horse/rider, that class will be combined with the next highest class.
6. **Points will be kept on the rider in all Age classes and Adult Rider classes.**
7. **Regardless of rider, points will be kept on the horse in the 4D Poles & 5D Barrels as well as all novice horse & futurity/derby classes.** Points will be given to nominated horses only and may be transferred from one owner to another of the nominated horse.
8. **If you enter two horses in any rider age class, you must specify on your entry form & pole or barrel card which horse will receive points when you enter.**
9. All complaints will be handled by the protest committee, and there will be a \$25 fee payable before any protest will be considered. See Protest Guidelines, pg 1.

D. GUIDELINES, RULES, & INFORMATION

Early entries must be postmarked 10 days prior to show. Draw will be posted on web 3 days before show

All 2018 shows will run in the following order:

Books open before 8:00 AM

Pole exhibitions.....8:00 AM

4D poles.....9:30 AM

Followed immediately by 8 & Under Poles and all Barrel exhibitions.

8 & Under Barrels2:00PM

Followed by 5D Barrels

1. All contestants (except 8 & Under) will be required to enter the 5D barrels and/or 4D poles and roll their time to the incentives they entered.
2. Checks can be picked up during the show for all pole classes and the Open 5D barrels. Any unclaimed checks and those for barrel incentives will be mailed after the show.
3. A contestant may run any horse, and as many different horses as desired, but each horse-rider combination may only run once at any show.
4. HHBRA will furnish an electric eye for all jackpots.
5. Stakes for the barrels will be positioned on the outside of the barrels at all jackpots.
6. Exhibition barrels will be set on different stakes than the jackpot barrels.
7. During a pole or barrel race, an exhibitor's name will be called three times only. An exhibitor failing to enter the arena to begin run or showing attempt to begin will be skipped and given a no-time.
8. Three pages of pole exhibitions and five pages of barrel exhibitions will be taken. If you pre-enter, you will be on page 2 of the exhibitions unless you specify a different page when you enter. Pole exhibitions will begin at 8:00 AM and be completed about 9:30 AM, followed by Open and 8 & Under poles. Barrel exhibitions should start around noon. If barrel exhibitions cannot be completed before the 2:00 PM start time, HHBRA retains the option of suspending exhibitions and resuming after the jackpot is completed.
9. If a rider has not appeared for an exhibition after 3 calls, the exhibition will be forfeited, without refund. At that point, you may NOT roll your exhibition to another page.
10. There is a 60-second time limit in exhibition barrels, and an 80-second time limit in exhibition poles. If a contestant goes over this time limit, a fine of \$6 will be assessed, which must be paid before the rider is eligible to compete in any class. **Exception:** a contestant 8 and under may exceed the time limit with no penalty.
11. Following exhibitions, all riders are required to leave the arena so that the ground can be worked and the barrels set on the proper stakes.

12. You may enter the day of the show with a \$15 office charge. You must walk up to enter at shows. Paid pre-entries received 10 days prior have a \$5 office charge.
13. Running order will be determined by order of entry. Consideration will be given to riders entering two or more horses in a single class, multiple family members running the same horse in a single class, or other special circumstances by writing it on card.
14. Drag will be determined by a draw. A number from 1 to 5 will be drawn. The first drag will be after the number drawn and every 5 thereafter. Once the draw is posted and the number of the drag is drawn, there will be no changes in run order. You may not change a horse's position even with another of your own horses.
15. In the event of a timer malfunction during a run, determined not to be the fault of the horse or rider, the rider will be offered the choice of a re-run. If a penalty is incurred during the original run, the penalty will carry over to the re-run. If the original run is clean, the re-run will also be judged clean, even if one or more barrels/poles are knocked. If the timer failure is determined to be the fault of the horse or rider, no re-run will be offered.
16. In the event of a tie at an approved show, points and/or money for the tying places will be averaged and awarded equally to each tying member.
17. During a jackpot, the arena will be worked after each five contestants. We reserve the right to re-work the arena (dig, water, drag, etc.) as necessary during a show day, in order to maintain safe arena conditions.
18. Failure to follow the standard barrel or pole pattern will cause disqualification. Once committed to the run, the horse may not back up, turn in the opposite direction from barrel or pole, cross the wrong side of the barrel, pole or timer, or circle the barrel or pole more than once. Falling off horse or crossing the timer line before the run's completion will result in disqualification. Knocking over a barrel or pole will carry a 5-second penalty, except in the 5D barrel format, where a knock is a no-time. In the event of a broken pattern, contestant may correct the problem with one additional pattern and then be excused from arena. The drag will not be adjusted.
19. HHBRA makes every effort to provide safe and fair arena conditions for all competitors. However, events taking place outside the arena fence are not truly under the control of HHBRA and will not be considered as a possible cause of a foul to a horse or rider. Dogs or other small animals should not be in the bleacher area or brought into the arena by anyone – members or visitors. All dogs should be on leashes, tied, or confined if they are on the grounds or left at the truck.

10. In the event of a tie at an approved jackpot, points and/or money will be combined and awarded equally to each tying member/contestant.
11. In the event of a tie in total points for a year-end award in the incentive classes, the first tie breaker will go to the other contestant if one contestant is already winning a saddle in another event. If this is not a factor, the tie will be broken by determining the greatest number of shows entered in that class. If equal shows, winner will be determined by the number of 1st place finishes, if still tied, the number of 2nd places, and so on, until a clear winner is determined. If a tie still remains, winner will be determined by cumulative time of each rider for all shows.

12. In the open D barrels & poles, there will be no minimum attendance requirement to be eligible for year-end awards. If a tie in total points exists, the first tie breaker will go to the other contestant if one contestant is already winning a saddle in another event. If this is not a factor, the winner will be determined by the horse with the most placings in that D. If equal number of placings, the winner will be determined by the number of 1st place finishes, if still tied, number of 2nd places, and so on, until a clear winner is determined. If a tie still remains, winner will be determined by average time of runs.

G. MISCELLANEOUS

1. **No refunds or class/incentive changes with one exception will be granted once the entry is received. You may not change the paid entry to a different class or change the run order. You may change horses if allowed by class rules as long as you notify us prior to the run but no refund will be issued.**
