

HHBRA Futurity/Derby Declaration Statement

This is a statement of eligibility for the futurity/derby class in HHBRA:

All Futurity/Derby horses must be 7 years old or younger. The horse's earnings do not count in determining eligibility, only age of horse.

The horse must be nominated and will accrue points for the listed rider from the date of nomination. The horse remains eligible even if there is a different rider.

If a horse is registered in any breed or color organization, you must use its registered name on this form. Nicknames may be added if desired especially if you want to run under that name. If the horse is unregistered, the owner's last name will be used as part of the horse's name. (Example: Sorrel Jones)

You must roll your time from the open 5D barrels to the futurity/derby.

Please submit a copy of the horse's registration papers or an affidavit proof of age with this declaration statement. HHBRA has a form you may fill out.

Registered name of horse: _____ Age: _____

Nickname of horse optional: _____

Date of nomination: _____

Owner/Rider: _____

Signatures by the following certify that the above information is correct.

Rider

Parent/Guardian (if needed)
