

SAFETY DATA SHEET (SDS) / HOJA DE DATOS DE SEGURIDAD (SDS)

Product / Producto: Degreaser / Desengrasante

Company / Compania: Universal Essentials Corp, Miami, FL, USA

Recommended use / Uso recomendado: Heavy-duty degreaser

GHS Classification (typical) / Clasificacion GHS (tipica): Skin Irrit. 2; Eye Dam. 1

Section / Seccion	Information / Informacion
1. Identification / Identificacion	Product code /Codigo: UE-DGR
Emergency phone / Telefono de emergencia	911 (US) or local emergency number / 911 (EE.UU.) o numero local
2. Hazard(s) identification / Identificacion de peligros	May cause eye irritation. Degreaser: may cause severe eye damage. / Puede causar irritacion ocular. Desengrasante: puede causar danos oculares graves.
GHS label elements / Elementos de etiqueta	Pictogram: Exclamation mark; degreaser: Corrosion. / Pictograma: Signo de exclamacion; desengrasante: Corrosion.
Precautionary statements / Consejos de prudencia	Avoid contact with eyes. Wash hands after handling. Keep out of reach of children. / Evitar contacto con ojos. Lavarse las manos tras usar. Mantener fuera del alcance de ninos.
3. Composition/information on ingredients / Composicion/informacion sobre ingredientes	Mixture. Typical key ingredients are listed in the TDS. Specific concentrations may vary. / Mezcla. Ingredientes tipicos listados en el TDS. Las concentraciones pueden variar.

4. First-aid measures / Medidas de primeros auxilios

Eyes/Ojos: Rinse cautiously with water for 15 minutes; remove contact lenses if present. Get medical attention if irritation persists; for degreaser, seek immediate medical attention. Skin/Piel: Wash with soap and water. Inhalation/Inhalacion: Move to fresh air. Ingestion/Ingestion: Rinse mouth; do not induce vomiting; call poison center/doctor.

5. Fire-fighting measures / Medidas contra incendios

Suitable media: water spray, foam, dry chemical. Product is water-based; treat surrounding fire. Hazardous combustion: CO/CO2. / Medios adecuados: rocío de agua, espuma, polvo químico. Producto base agua; tratar incendio circundante. Combustion: CO/CO2.

6. Accidental release measures / Medidas en caso de vertido accidental

Contain spill, absorb with inert material, and rinse area with water. Prevent from entering waterways in large quantities. / Contener, absorber con material inerte y enjuagar con agua. Evitar que grandes cantidades entren a cuerpos de agua.

7. Handling and storage / Manipulacion y almacenamiento

Avoid eye contact. Do not mix with bleach or acids. Store closed at 5-35C. Keep from freezing and direct sunlight. / Evitar contacto ocular. No mezclar con cloro o acidos. Almacenar cerrado 5-35C. Evitar congelacion y sol directo.

8. Exposure controls/personal protection / Controles de exposicion/proteccion personal

No special controls under normal consumer/commercial use. Wear safety glasses for bulk handling; gloves recommended for degreaser. / Sin controles especiales en uso normal. Usar gafas en manejo a granel; guantes recomendados para desengrasante.

9. Physical and chemical properties / Propiedades fisicas y quimicas

Appearance/Apariencia: Clear/amber. Odor/Olor: Citrus. pH: 11.5-13.0. Solubility: water soluble. Flash point: not applicable (water-based) unless alcohol-containing glass cleaner in some variants. / Punto de inflamacion: no aplica (base agua) salvo variantes con alcohol.

10. Stability and reactivity / Estabilidad y reactividad

Stable under normal conditions. Avoid strong oxidizers. Do not mix with bleach or acids. / Estable en condiciones normales. Evitar oxidantes fuertes. No mezclar con cloro o acidos.

11. Toxicological information / Informacion toxicologica

Likely routes: eye/skin contact. Symptoms: irritation, redness. Degreaser may cause burns/serious eye damage. / Vias probables: contacto con ojos/piel. Sintomas: irritacion, enrojecimiento. El desengrasante puede causar quemaduras/danos oculares graves.

12. Ecological information / Informacion ecologica

Surfactants are expected to be biodegradable; avoid uncontrolled release. / Tensioactivos se esperan biodegradables; evitar liberacion sin control.

13. Disposal considerations / Consideraciones de eliminacion

Dispose of contents/container per local regulations. Small quantities: rinse container and recycle where accepted. / Disponer segun normativa local. Cantidades pequenas: enjuagar y reciclar si se acepta.

14. Transport information / Informacion de transporte

Not regulated as dangerous goods for typical formulations. / No regulado como mercancia peligrosa para formulaciones tipicas.

15. Regulatory information / Informacion reglamentaria

Prepared to align with OSHA HazCom 2012 (29 CFR 1910.1200) and GHS formatting. / Preparado para alinearse con OSHA HazCom 2012 y formato GHS.

16. Other information / Otra informacion

Issue date/Fecha: 2025-12-29. Disclaimer: This SDS is provided as a template based on typical non-aerosol, water-based formulations. Confirm hazards and composition with the final formula and applicable regulations. / Descargo: SDS plantilla basada en formulaciones tipicas base agua. Confirmar peligros y composicion con la formula final y normativa aplicable.
