- Servicing
- Repairs

01584 811 849

## WORKSHOP STAFF REQUIRED

**We are current looking for the following :-**

### **Qualified Vehicle Mechanic (Level 3)**

Experienced mechanic, competent in servicing, diagnosis of faults and repair of vehicles.

### **Tyre Fitter/General Service/Maintenance Fitter**

Anyone with experience in tyre fitting or basic vehicle servicing.

### **Apprentice Vehicle Mechanic**

We are also looking for an apprentice vehicle mechanic - please apply in writing with evidence of GCSE qualifications showing passes in English, Maths and Science. This is to enable the candidate to start college at Level 2.

Relating to all of the above :-

- Customer friendly, with a positive attitude.
- Monday to Friday (8:30am to 5:30pm) occasional Saturday mornings.
- Salary based on experience.
- Full clean driving licence.

To apply, send CV and a covering letter, to include notice period and salary expectations to [willsautorepairs@gmail.com](mailto:willsautorepairs@gmail.com).

For an informal discussion about any of the above roles, please contact Will on 01584 811849
