

# COURTROOM INJUNCTION

Father God,

I come before You now, stepping into Jesus by faith and through His blood, to boldly approach Your throne for mercy and grace in my time of need.

- I ask that You send Your angels to summon every guard and warrior, by any name, who has been assigned to destroy my life and my bloodline across generations. They carry a mandate from hell to derail our destiny.
- I request that You summon the Captains of the Guard who seek to kill me for serving Your Kingdom.
- I ask that You call forth the Warriors and Guards working against me, all I have, all I do, and all I am destined to accomplish.
- In Jesus' name, I ask that You revoke their authority to act against me. Break their assignment of destruction against me.
- I also request that You summon any guardians involved in backup plans with secret orders against me if the original plans fail.
- Summon the rulers of the occult and the dark forces tied to my bloodline through profane worship.
- Bring them into Your Courts, bind them, and silence them. Let them receive Your judgment and be confined to their prison cells. I ask for an execution order against them because they have come against Your anointed.

I release total forgiveness to those in past generations who opened doors to these principalities that harmed my family and me.

Send Your angelic host to protect everything I am, have, and do. Surround me with a shield of invisibility on every side. Let the sound of heaven be released wherever I am, so the enemies of Your Kingdom hear only the empty sound of vacant space. For my life is hidden in Christ, who is my Shield and Fortress. I claim divine protection in His Blood against all forms of tragedy, accidents, diseases, violence, and persecution. In Jesus' name, I pray. Amen.

*We use this one when we really start pressing hard to see things break loose for those we love. We use every tool at our disposal to insure that we are praying effective and powerful prayers on behalf of those we are serving. Unfortunately we don't know where we found this prayer, Our best guess it is from Jacklyn Hanselman and GFBI Ministries.*
