Filmmaker reviews about Conch Shell Int'l Film Fest:

CSIFF2022 was fantastic! This festival is so thoughtfully organized with many opportunities for filmmakers to interact and engage virtually through Filmocracy in meaningful conversation. The podcast conversations were also a great feature. The focus and commitment to film as tool for social justice was exciting. The voices of the Caribbean diaspora represented in the festival is an invaluable contribution to the field. The organization, communication, and hospitality was impressive!- Alicia Diaz "Entre Puerto Rico y Richmond: Women in Resistance Shall Not Be Moved"
