## 2022 - 10th annual Arkhaiois Cultural Heritage and Archaeology Film Festival Call for Film Registration

*Pittsburgh, PA* - The first Call for Film Registration has been issued.

Filmmakers from around the world are invited to submit their films for screening and competition consideration to the 2022 Arkhaiois Cultural Heritage and Archaeology Film Festival. The Arkhaiois Film Festival is a non-profit, educational event showcasing the discovery of past cultures gained from ethnological or archaeological research, and illustrated by documentary films.

An annual event, Arkhaiois takes place in October, during Archaeology Month celebration. There are two Arkhaiois events: one in South Carolina with juried competition and awards, the second in Pittsburgh, Pennsylvania, showing the best films from the Arkhaiois Official Selection. Local gatherings are not always allowed or possible, and a Virtual Edition has been added giving a chance to screen the films online. The film registration is for all events.
