Pittsburgh, PA - The first Call for Film Registration has been issued.

Filmmakers from around the world are invited to submit their films for screening and competition consideration to the 2023 Arkhaio Cultural Heritage and Archaeology Film Festival. The Arkhaio Film Festival is a non-profit, educational event showcasing the discovery of past cultures gained from ethnological or archaeological research, and illustrated by documentary films. It is an international juried competition.

An annual event, Arkhaio takes place in October, during Archaeology Month celebration. There are two Arkhaio in-person events: one in South Carolina, the second in Pittsburgh, Pennsylvania, showing the best films from the Arkhaio Official Selection. A Virtual Edition event complements these in-person events, giving a chance to screen the films online. The film registration is for all events.
