Costs associated with other treatment not shown above are available on request.

This will give you an indication as to the cost of routine dental treatment, prices will depend upon the complexity of the case. Your dentist will discuss your treatment plan and the costs with you.

At Robertsbridge Dental Practice fees are collected at the time of treatment.

We accept payment by card (not American express), Cheque or cash.

A treatment plan with the estimated costs of treatment will be provided.

Where work is completed in stages the cost will be split over your treatment visits.

If an appointment is missed or cancelled at short notice, there will be a charge starting at £45.00
