

## Reservation List & Deposit

For your \$300 non-refundable reservation list fee to be accepted, please agree to the following terms:

1. I understand and agree that my \$300 deposit is non-refundable. I am not guaranteed my puppy of choice; however;
  - a. I know that I can receive a refund if my gender of choice is not available.
  - b. I can also receive a refund if the seller and the client agree that the available puppies are not a good fit for your home. Our main priority is finding the right dog for the right human. This prevents dogs from going into shelters or being rehomed. This starts from the beginning of the homing process, and we will refund a deposit to prevent the client or seller from feeling any pressure to buy a puppy that will not be a good fit for their lifestyle or needs.
2. I also understand that the timing of litters is uncontrolled. We are not able to control the timing of heat cycles or a successful pregnancy. A successful pregnancy and delivery are not guaranteed.
3. I understand that clients choose in the order of the reservation list, and clients can choose any of the puppies available to them at their visit time. We ask for your preferred gender to help with this process. I understand the seller will make recommendations based on personality traits we believe may be well-suited for your specific needs.
4. I understand and agree that the seller has the right to first pick of the litter (male or female)
5. I am aware that puppies can have certain common ailments upon coming home. Urinary tract infections, parasites, ear infections, and allergy issues are all common. While we routinely deworm and monitor our puppies, sometimes the stress of leaving their home causes issues to flare up. I understand it will be my responsibility to treat and care for my new puppy once they leave the seller.
6. You have put down your \$300 deposit for place number \_\_\_\_\_ on the list for gender male/female on date \_\_\_\_\_. This secures this place in line for you! We are so glad you found us, as we strive to connect the right dog to the right human.
7. The final payment of \_\_\_\_\_ will be due upon picking up your puppy. We will also sign the contract that day and send home any paperwork and health certificates at that time.
8. Payment via Zelle, Venmo, cash, or check will be accepted. If paying by check for final pick up, it must be sent early to confirm it clears.
