

Congratulations!

You have put down your \$300 deposit for puppy _____ on date _____ . This secures this puppy for you! We are so glad you found us as we strive to connect the right dog to the right human.

The final payment of _____ will be due upon picking up your puppy. We will also sign the contract that day, and send home any paperwork and health certificates at that time. Payment via cash, check, or cashiers check will be accepted. If paying by check it must be sent early to confirm it clears.

I am aware that puppies can have certain common ailments upon coming home. Urinary tract infections, parasites, ear infections and allergy issues are all common. While we routinely deworm and monitor our puppies, sometimes the stress of leaving their home causes issues to flare up. I understand it will be my responsibility to treat and care for my new puppy once they leave the seller.
