PRESIDENT'S MESSAGE

Welcome everyone to the 192nd Napanee Fair!!!

On behalf of the Lennox Agricultural Society, I would like to introduce myself to you as the President for the next 2 years. I have been involved with the Lennox Agricultural Society for 25 + years. I also am a beef farmer and enjoy bringing my knowledge about agriculture to the board.

I would like to say a huge Thank You to our directors, members and volunteers for the countless hours they put in before, during and after the fair. All your hard work is truly appreciated! Thank you to our fair exhibitors, sponsors and attendees for your support.

Please take sometime to look through this fair book and read about the many categories you can enter, along with the many great events that will take place during the fair. We open Friday evening with the midway, truck and big tractor pulls, along with opening ceremonies at 7pm and “Napanee Fair Has Talent” will start after that. Each day there is a different Livestock show happening, make sure you take sometime to watch one. Saturday and Sunday are packed with great events and Monday we will wrap up the last day of the fair with the Demolition Derby.

Make Napanee Fair a great long weekend family event!

Leonard Austin

2025/2026 President

Community Outreach

Women's Institute is an education group that has local, provincial and federal Branches, as well as associated societies in over 90 countries with 8 million members. We seek to improve the lives of women and their families by promoting personal growth.

Locally our WI Branches conduct the feminine hygiene product drive, sharing items between the Morningstar Mission and the Salvation Army, and financially to Interval House. We also contribute throughout the year to Morningstar's food bank and warm clothes and backpack programs. We give lots of books, blankets and bears for children in distress to the Napanee Hospital and fire department.

For social outreach we host euchre nights and strawberry socials and the Napanee Fair Tea. We have had guest speakers to address mental health issues, especially in agriculture, women's health issues, environmental concerns. We support entrepreneurs and advocate buying local. Other major issues are human trafficking and scams. And we remember our shut-ins with visits and small gifts.

Our History...

In 1832 the first Fair was held in Napanee in the centre of town and continued there until 1868 when it was moved to the property now known as the Napanee Fairgrounds. In 1855 the Lennox Agricultural Society was formed. In 1885 the race track was built to have horse races. In 1919, 2 aeroplane hangars and a small building were purchased from Camp Rathburn and moved to the fairgrounds to show animals in at the Fair. One is what is now known as the 4-H Barn and the other the Palace. Both of them have unbelievably intriguing ceilings – take a look inside to see. In 1926 the Grandstands were lengthened by 50 feet and destroyed by fire in 1953. Later that same year new Grandstands were built and used until 1991 when the current Grandstands were built. In 1953, 32 acres of land was purchased adjoining the Fairgrounds. In 1954 the 4-H Barn was moved intact to make room for the Arena. In 1955 and 1956, more land was purchased adjoining the Fairgrounds and an agreement completed with the Town of Napanee for an Arena to be constructed at 170 York Street, Napanee. In 1961 an agreement was signed with the Napanee & District Curling Club to construct a building and be leased for a term of 99 years. Construction was completed in 1962. In 1972 the Cattle Barn was built with a joint adventure with the L & A Holstein Club. The Judges booth located down by the track was built in 1979. In 1981 the washrooms were built but plumbing wasn't included until 1990. In 1986 the horse stables were built and then expanded in 1987. In 1991, a 99 year lease of Land was completed with the Town of Napanee to build the Ball Diamonds. In 2007, the Lennox Agricultural Society purchased the Arena that was built at 170 York Street and it became the Lennox Agricultural Memorial Community Centre that was destroyed by fire in 2023. In 2025, all the agricultural society buildings had some repair updates and were repainted.

This building in 1991 was called the horse barn. Over the years it's had many different animals in it for the fair and now is referred to as the 4-H Barn. The side of the building displays the poultry.
