PRESIDENT’S MESSAGE

Welcome everyone to the 193rd Napanee Fair!!!

On behalf of the Lennox Agricultural Society, I'm delighted to introduce myself to you as the President for 2026. I've been involved with the Lennox Agricultural Society for over 25 years. I also am a beef farmer and enjoy bringing my knowledge about agriculture to the board.

I want to express my deepest gratitude to our directors, members and volunteers for the countless hours they dedicate to the fair, both before, during, and after the event. Your hard work is truly appreciated! I also want to thank our fair exhibitors, sponsors and attendees for their unwavering support.

Please take sometime to browse the fair book and explore various categories you can enter, as well as the exciting events planned for the fair. This year, we're thrilled to open with our brand-new office space and food booth, where you can enjoy delicious fair food. We open Friday evening with the midway, truck and big tractor pulls, and opening ceremonies at 7 p.m. which will include announcing our fair ambassador. Don't miss Napanee Fair Has Talent Contest either!

Each day features a different livestock show, so be sure to watch one. Saturday and Sunday are packed with fantastic events, and Monday concludes the fair with the Demolition Derby.

Let's make this a memorable long weekend family event!

Leonard Austin
2026 President - Lennox Agricultural Society

My name is Lexi Dunn, and it has been an absolute honor to serve as the 2025-2026 Napanee Fair Ambassador for the Lennox Agricultural Society. Over the years I have had the opportunity to be involved in the fair as an exhibitor and a volunteer, and have an appreciation for all that the fair and agricultural society stands for. I am thrilled to be the first ambassador since 1999, making it an even more special experience for me to bring back this tradition to the Napanee Fair.

Throughout my time as an ambassador, I had the opportunity to represent Napanee at various fairs such as the Belleville and Centreville fair. As well as the OAAS 3 day convention. My favorite experience was having the opportunity to meet and share my passion for fairs and agriculture with other ambassadors across Ontario.

I was able to participate in a variety of amazing activities such as judging the baby contest at the fair, giving out ribbons at the Beef & Draft shows, riding on horse-drawn wagons, taking part in the Santa Claus Parade float, and meeting some of the amazing people who exhibit and attend the fair. I was also able to attend Agricultural Society meetings and had the opportunity to attend a workshop in Campbellford for the ambassadors from District 3.

One of the most rewarding aspects of being an ambassador was having the opportunity to share information about the ambassador program and educate people on agriculture. From strangers at the fairs to strangers at Queens University. It was an amazing opportunity to spread awareness and encourage people to learn more about the traditions and values that we display through our fairs.

I would like to thank everyone who helped make this experience possible and all of the volunteers and supporters who helped make the Napanee Fair and Lennox Agricultural Society a success. I am very grateful to have had the chance to represent such a fantastic community.

I look forward to seeing many applications for the 2026-2027 Napanee Fair Ambassador program! It is a fantastic opportunity to represent our community, to learn more about agriculture, and to make lasting memories at the fair. I encourage any young adult/ youth who is enthusiastic about our town and fair traditions to apply and experience the joy of being part of this fantastic program.

**OUT WITH THE OLD
IN WITH THE NEW!**

Following the tragic loss of our Lennox Agricultural Memorial Community Centre in fall 2023, which housed our office, after careful consideration the Lennox Agricultural Society board decided to demolish the old project building and food booth. In late winter and early spring of this year, a new building was constructed to replace them. This new structure now features a beautifully upgraded food booth, the Lennox Agricultural Society Office, and a meeting area.

We're thrilled to have this beautiful space located inside our fairgrounds, alongside our other Agricultural buildings. Please stop by during the fair to see our new space!
