Coach Amafaye teaches Tumbling Basics and FUN-damentals of Cheer. Her favorite skill to teach is the backhand spring, because it is a neat motion that's a big milestone for a lot of tumblers and she loves helping them achieve it! Coach Amafaye did cheer for 3 years and tumbling for 7. Her favorite thing about FASF is the open environment that fosters learning.

Coach Amafaye lives in Moorhead with her parents and two younger sisters. Did you know that Amafaye is an avid jar and bottle collector? She loves to study science, and would like to pursue a profession in that field.
