- This will be the final event of Elite Teams season!
- We will plan to attend the Battle Round Competition if we do not receive a bid at an earlier comp.
 - This is to ensure families have adequate planning time for flights and stay arrangements.
- Please do NOT plan on leaving early for the competition. We will have mandatory practice at the gym leading up to the competition.
- Coaches and families are encouraged to extend their stay if they would like more time in the warm!
