A LITTLE WORD ON OUR WINE FLIGHTS...

We love making wine flights; however, they take longer for us to make than most other drinks, and they require a lot of glassware.

On occasion, if we are particularly busy or a lot of people are trying to order flights at the same time, we may politely refuse to make any more flights until it is feasible for us to do so. It is really rare for this to happen, so please do not let it put you off ordering a flight, but it does occasionally happen, and we thank you for understanding.

ANY FEEDBACK, DUCK?

If you've had a good time, we'd really appreciate it if you took a moment to leave us a review. It helps other people find us and gives them an idea of what to expect.

If you think we could do better, please chat to us, we're all ears.

WINE TASTINGS

We run monthly wine tastings. All our tastings are designed, hosted and run by the Runner Duck team. They are intentionally laid back, fun, informative, and interactive.

You can buy tickets for upcoming tastings over the bar, or here:

PRIVATE WINE TASTINGS

We offer private wine tastings for groups of between 6 – 24 people. We have a selection of pre-existing tastings for you to choose from, or we can create a bespoke tasting for you.

Pricing starts at £22.50 per head and tastings run for approximately two hours. We don't offer private tastings on Friday or Saturday nights, but outside of that, we're happy to work with you to find a time that suits you.

More information about private tastings and available themes can be found on our website.
