The Language of Lactation: How to educate parents on this new lingo that supports their lactation journey

**Bonnie Holt Logsdon,
RD, IBCLC**

Bonnie Knows Breast, Louisville, KY

August 3, 2021
Online Access Only

This is a live WebEx meeting and presentation. KLIC members will receive information about accessing the meeting directly through email. Become a KLIC member, or pay \$10 to receive access for CERP/CEU, at www.paypal.com, sending payment to info@klicbreastfeeding.org. Deadline for payment is August 1.

6:30 pm KLIC Meeting
7:00 pm CE Presentation

New parents are exhausted when we see them for lactation visits. Retaining information with a sleep-deprived brain is hard work. How we connect, listen, question, and communicate with them impacts outcomes. Learning the process of milk making and terms associated with lactation is a whole new vocabulary. Making improvements to communication between all members of the care team and communicating more effectively with patients can greatly improve the patient experience and help them meet their goals.

By the end of the webinar, the participant will be able to:

1. Understand 4 learning styles people use to retain a new language
2. Name 3 communication techniques that foster connection with the patient/client
3. Define various lactation related terminology
4. Learn 3 strategies to effectively communicate a lactation care plan to your client

Bonnie Holt Logsdon (she/her), is a Registered Dietitian (RD), International Board Certified Lactation Consultant (IBCLC), Certified Lactation Educator™ (CLE©) through CAPPa and a DONA trained birth doula with over eighteen years of experience in community-based nutrition and lactation practice. She currently owns and operates her private practice, Bonnie Knows Breast, here in the Louisville and Southern Indiana area with home and office visits, classes for parents and professionals and offers telehealth support available worldwide. Bonnie believes everyone deserves support during this critical and emotional time in their lives.

CEUs and CERPs will be provided upon program completion. Free to KLIC members. Contact Kristi Schroeder, KLIC Vice-President, at (502) 785-8916 or kristischroeder29@gmail.com with questions about the program, location or weather/cancellation questions. In the case of severe weather, KLIC reserves the right to postpone and/or cancel the presentation. This presentation is approved by the Kentucky Board of Nursing (KBN) for 1.2 "Contact Hours", provider # 5-0033, expiration date 12-31-21. 1 L-CERP has been requested from IBLCE.
