Mission:

To protect, promote, and support breastfeeding in Kentucky and Southern Indiana.

To empower, support, and educate our membership, health care providers, and the general public, enabling them to be articulate breastfeeding advocates.

The Kentuckiana Lactation Improvement Coalition, Inc. known as KLIC, is a non-profit, 501(c)(3) organization started in 1993. The organization provides:

- Quarterly continuing education presentations
- Discount on USLCA membership
- Online Newsletters
- Special mailings (standard and electronic on issues and activities)
- Discount on Annual Full-Day Breastfeeding Conference.

Goals:

- To promote knowledge, attitudes, and practices concerning breastfeeding that are evidence-based and consistent within and between various health care providers
- To promote, protect, and support breastfeeding in the private and public sectors.
- To facilitate the development of and referral to breastfeeding support networks and Lactation Consultants for clients and health care providers.
- To protect the rights of mother and child to establish and continue a breastfeeding relationship
