

Christ Church Preschool

Program Information

Thank you for your interest in our preschool program. In addition to the regular classroom experience, all children receive instruction in Creative Movement. Children in the Three and Four-year-old classes also have weekly Chapel, Godly Play, and Discovery. All children bring a healthy lunch from home each day. Children in the Pre-K classes receive instruction to address any areas of concern and/or to enhance the skills needed for Kindergarten readiness.

Our school year usually begins around Labor Day and ends around Memorial Day.

Registration Information

Registration for Christ Church Preschool 2022-2023 school year will be held in January and forms will be due on the 21st, 2022. Applications should be completed and returned, along with the \$200.00 per family registration fee. All forms will be collected and processed during the following week. Applicants will be notified of being accepted or waitlisted by January 28th. The registration fee for waitlisted students will be returned. All other registration fees are non-refundable.

There will be four categories during the registration process: current students, siblings of current students, members of Christ Church, and the general public. Current students will be placed first, then siblings, then church members and then general public as space allows. If a registration form is turned in after the deadline, it will be accepted but it will lose all priority (it will be placed in the general public category).

Registration forms must be received by 1:00pm on Friday, Jan. 22 to maintain priority status.

Tuition will be due on the first of each month September through April. A late fee of \$15.00 will be assessed if tuition is not paid by the 10th of each month. There will be no refunds or credit given for days missed for any reasons including sickness, vacation or the closing of school for inclement weather or for extenuating circumstances beyond CCP control. Tuition payments can be made payable to Christ Church Preschool with a check, credit card or Venmo (@CCPreschool). Scholarship information is available upon request.

Tuition for May 2023 (which is non-refundable) will be due by June 15, 2022, as our program operates on a tuition-based budget this allows us to offer a monthly payment option. A yearly activity fee of \$45.00 will be applied for the Three and Four-Year-Old Classes to cover the cost of field trips and special programs.

Immunization Policy

The health policies of Christ Church Preschool are designed to meet the health needs of children and staff and it is important to understand that these policies are written for the protection of everyone in the preschool. All children must have all age-appropriate immunizations required by the State of North Carolina.

Immunization exemption requests (religious or philosophical) will not be considered by Christ Church Preschool.

We are so grateful for the opportunity to share in the growth and development of your child. Thank you for sharing your child with us! Please contact me if you have any questions.
