

Rodeo Dog Clinic
Xcel Canine Training, Inc.
5400 Progress Blvd
Bethel Park, PA 15102
December 20, 2026 (9:00 am to 12:00 pm)
Part 1 of 3 Clinic Series
Instructors: Suzanne Vighetti & DeAnne Orive

You will learn the rules and how to play the games Clover and Straight Line in this clinic. Rodeo Dog is a fun sport that helps you build a strong bond with your dog.

Teams start on leash at the Beginning level and work up to Performance (level 1) off leash.

We will teach you multiple training methods that will help you become successful with your specific dog. These handling skills can be useful in agility and other dog sports. There is no jumping so both young and senior dogs are welcome. Rodeo Dog does not discriminate against any dog or handler because of a disability.

Each Student will receive a folder with the rules and diagrams to help you practice at home and a measuring kit to build your games with the right dimensions for the barrels.

Only one dog and handler may be in the training ring at a time.

If you bring multiple dogs, please bring a crate to use while you are in the ring.

Directly following the Clinic, you can run your dog in a Mini-Trial for class participants only.

Cost is 75.00 per dog this includes 2 trial entries.

Space is limited.

Please contact ddorive@verizon.net to register.
